EDITOR'S DESK

By Vicki Bruno

Residents, family, and friends,

The jewelry department is now open and it took off in grand

style. I am so thankful and appreciative of all of you volunteering for tasks to earn extra hilly bills. A great big shout out to the garden club for an awesome job planting and taking care of our seedlings. As our plants

grow, I will be needing the help to keep them healthy until the weather allows us to transplant them outside next month. Not to mention, the yummy tomatoes we can slice up for our barbecues over the summer. Let's all enjoy this month by getting outside more as the weather gets warmer and enjoy your Mother's Day Brunch and Memorial Day Barbecue & Bocce Ball events. Again, I thank all of you who took the time to fill out the survey in April and like to reiterate how valuable your feedback is.

Vicki Bruno

Activity Coordinator

April in Review

We started the month off by trying out our new popcorn cart . During Wild Tracking, we worked on our books and created a coffee table book for everyone to enjoy all of the updates. We have two more ani animals coming and I can't wait to meet them!

Along with Bingo, we played the dice game, Left, Right, Across. In both games, residents walked away with a lot of hilly bills!

Pictured below, (from left to right) are Dale, Greta, Whitney, Dan (center), John, and Spencer getting in touch with their Creativity as they paint butterfly sun catchers.

To celebrate Easter, instead of the traditional egg hunt, we decided to have an Easter Penny Pitch for Prizes. Wyatt and Spencer did a wonderful job creating our floor board for the event.

Meet our newly formed garden club! These residents have been hard at work, planting, watering and transplanting a variety of plants that will eventually be planted outside. The plants are looking great because of all of the hard work and dedication of the residents.

As summer approaches, there will be more work for this club! More watering, more transplanting, and the work doesn't end there! They will need to be transplanted outside where they will require more tender loving care, but, this group is up for the Challenge!

RESIDENT OF THE MONTH

This month we had a tie when the votes were counted. David who is pictured above tied for the honors with Wyatt. Both gentlemen are very kind, courteous, helpful, and humble. Wyatt opted out of getting his picture taken but appreciates the votes that he received. David, also, appreciates the votes that he received and graciously allowed his picture to be taken after giving a tour of his well-kept apartment and explained that Irene helps him keep it that way. To both of our featured residents, we offer a sincere congratulations

EMPLOYEE OF THE MONTH

Congratulations Bessa on being this month's employee of the month! Bessa is an RA that has been here, with us, for over a year and we are lucky to have her! Residents and staff were asked what they like about Bessa, the comments were consistent. Such as, "she is so knowledgeable and professional", "She's fun", "even if something is bothering her, she's never in a bad mood", "she cares", and "she never complains when we ask her for help". Again, congratulations, Bessa on this well earned honor! You are appreciated!
