EDITOR'S DESK

By Vicki Bruno

Residents, family, and friends,

It has been a very busy month and I couldn't be more thrilled with the progress we've made. I look forward to the coming month and hope you all will take part and enjoy the activities that I have planned for us. A big shout out to the garden club for all of your hard work. Special recognition goes to Gwen, Whitney, and Arthur for taking the lead with the plants. I would also like to give a shout out to Irv and Don for keeping the outside free of garbage and keeping it looking nice for us all to enjoy. Remember, if you are a smoker, please, make sure the butts are disposed of in the butt containers. We are going to have a "Beach Madness" Spirit week during the week of June 8th through June 14th, with beach themed activities including another barbecue on June 12th. Happy Father's Day to all you dads out there and we will be celebrating all the dads with another barbecue on June 15th, during the noon meal. Let's have some fun, this month and make sure to get out and enjoy the sunshine and remember to stay hydrated.

Vicki Bruno

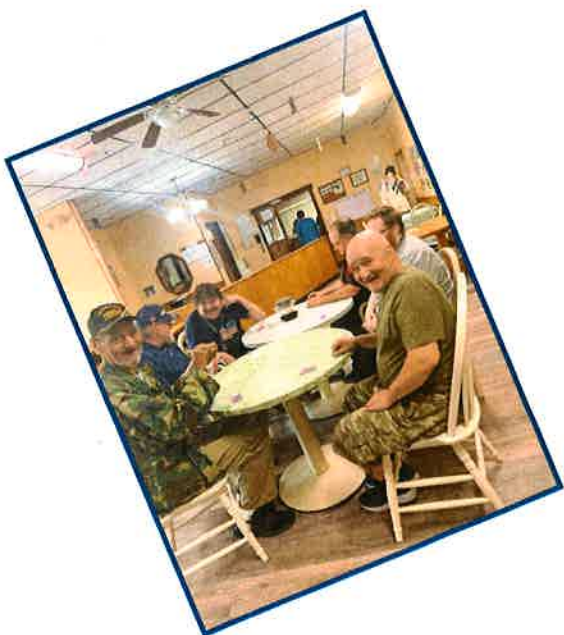

Activity Coordinator

May in Review

We started the month working with clay. Greta made this lovely paper clip holder for Holli!

Residents were given clay pots, dirt and seeds to either plant a Polka Dot plant to keep in their rooms .

Along with Bingo, residents enjoyed playing “Left, Right, Across” for Hilly bills, again. It seems to be a hit!

There are many ways to obtain Hilly bills. Residents can do tasks or win them in various games. Below are pictures of the residents playing “Staff Gone Fruity” Slots and the pay out is in Hilly bills. Thank you to all of our fun loving staff for making this a success!

Pictured are the residents being entertained by Kelvin and his magic!

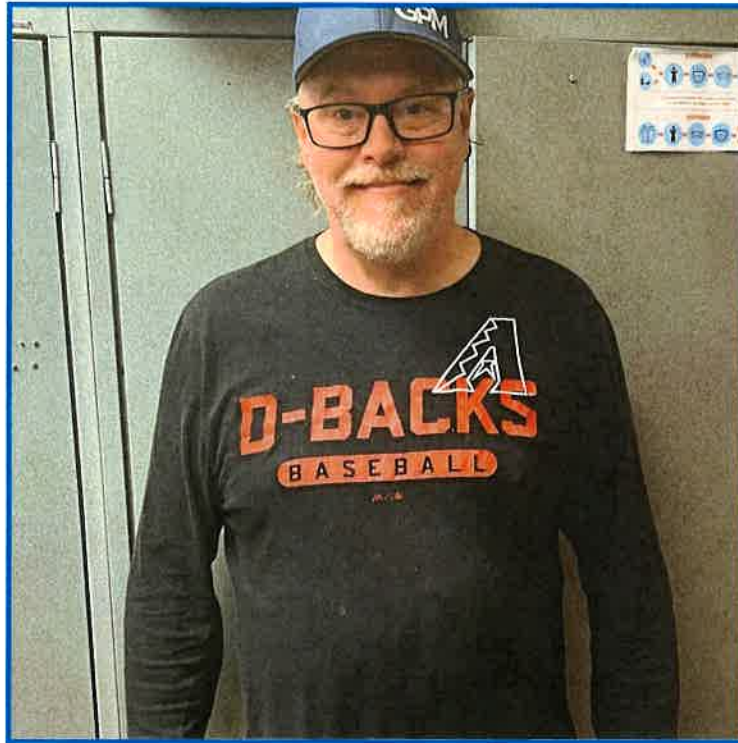

For Memorial Day, we celebrated with a barbecue and Bocce Ball! The weather was perfect for the festivities. Kevin and Annie worked the grills and Whitney, Gwen, and Art set up the tables.

Pictured are Ann, Gwen, and Georgia planting chives, two different types of table onions, and radishes. These will be a nice addition to summer barbecues. The greenhouse is finally outside and we will be transplanting them this week.

RESIDENT OF THE MONTH

This month's featured resident is Quintin. Quintin is the youngest of five siblings and has two sisters and a brother that are still in this area. Looking at him one would never guess that he is also the father of a beautiful daughter that will turn fifteen in August. This writer asked what her name is and Quintin said Poem. When asked how her name came about, Quintin replied that he loves to write poetry so it seemed fitting to name his child Poem or Poet. Poem lives in southern Minnesota and though he does not see Pem that often, they talk sometimes five or six times a week and are very close. Quintin grew up playing baseball and hockey and enjoys doing all kinds of art work. He sketches with pencils or charcoal and does both watercolor painting and acrylic painting. Congratulations Quintin for this honor.
