EDITOR'S DESK

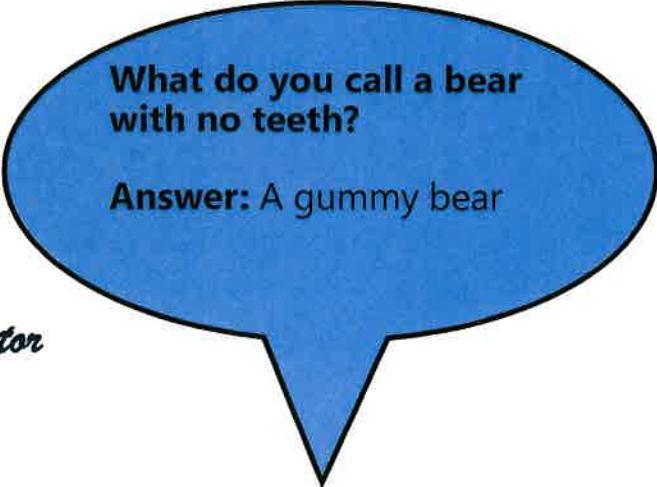

By Vicki Bruno

Residents, family, and friends,

Well, it's September and we all know what that means! Enjoy the warmer weather, by getting outside, while it is still here. The store has been restocked, including a new jewelry shipment, so come and check it out on Tuesdays, from 1:00 to 2:00 PM. This month I have a lot of fall crafts planned and we will be starting a cribbage club with our first tournament on September 26th. All are welcome to join in the fun including beginners. No worries if you've never played before because we will teach you. I am just finishing up my first year, as your Activity Coordinator and I thank everybody for their input, patience and understanding as I work to provide meaningful activities and am looking forward to working with you all during the next year. Let's have a wonderful, productive and fun year.

**What do you call a bear
with no teeth?**

Answer: A gummy bear

AUGUST IN REVIEW

It was all smiles when the Ice Cream Truck pulled up and both residents and staff enjoyed sweet treats.

My IQ test results came back. They were negative.

**We tried our hand at tie dying T-shirts. It was messy,
but fun!**

**These radishes
were quite tasty.**

**We put a new spin on the auction! It was a silent auction
and the residents used their auction bucks to bid.**

Much was learned about the life-cycle of the butterfly as we watched baby caterpillars transform into beautiful butterflies, before letting them go.

The dining room makeover was completed just in time for it to be transformed into a festive bee haven for our Family Picnic. Families and friends of the residents were invited to share some good food while making beautiful memories.

**Q: What do you call a
hippie's wife?**
A: Mississippi.

EMPLOYEE

OF THE MONTH

Building manager, Holli, chose Eli to be the employee of the month, because of his calm demeanor during stressful situations and his willingness to listen, with compassion, when something is bothering residents. Building manager, Holli, also stated that Eli is her right hand when it comes to technology. Eli is an RA that has been with Hillcrest since August 12, 2019 and has gotten to know the residents quite well. He volunteers to help when help is needed by other employees and makes time to play games or call Bingo for the residents on Saturdays when he is scheduled. Thank you for all you do and thank you for caring about the residents and your co-workers. You are appreciated.

RESIDENT OF THE MONTH

Staff voted and the votes were counted! Congratulations, Kristina on being voted Resident of the Month. Kristina loves crafts, playing Bingo and spends a lot of time with her mom. Her mom and her like shopping together. In fact, they just went to the Mall in Duluth and had a great time. They, also, love knitting together, although she says her mom's knitting comes out lopsided and Kristina's knitting always comes out with holes, but, the important thing is that they enjoy doing it together. Another passion of Kristin's is her dog "Freddy" who is a Lhasa Apso, who thinks he's a lap dog and enjoys sitting on her lap while watching TV. Congratulations, again, Kristina on being voted Resident of the month. This recognition, by staff, is well earned.
