Happy 4TH of July

I believe in America
because we have
great dreams,
and because we have
the opportunity to make
those dreams come true.

EDITOR'S DESK

By Vicki Bruno

Residents, family, and friends,

First of all, I hope this finds you all well and send you wishes for a happy and safe Independence Day from the entire Hillcrest Team. We have officially said good-bye to spring and hello to summer. Around the town we could see newly hatched geese following their mamas, grasses turning green and flowers beginning to bloom. It's such a beautiful time of year. We even had a fawn come onto the property to say hi! Let's all take time to enjoy all the blessings of summer in all of it's beauty. Let's get outside and soak up some of that warm sunshine that we longed for during the cold, bitter months of winter.

Vicki Bruno
Activity Coordinator

Why did the frog
take the bus to
work today?

Because his car got
Toad away!

JUNE IN REVIEW

We started the month off getting into the Summer Spirit with our version of Spirit Week “Beach Madness”. Residents were finding beach creatures hidden throughout the facility, we tossed beach balls into swimming pools and had different dress-up days. Hat and sunglasses, floaties, tacky tourist and finished the week Hawaiian.

There are three types
of people in the world:
Those who can count
and those who can't!

We decorated sea shells, created sea creature magnets, played Bingo and the Dice Game and planted our flowers and tomato plants outside. We also planted a butterfly garden and at the end of July we will be taking caterpillars and watching them transform into butterflies, before releasing them into a garden planted just for them!

We, also, had two barbecues. One for Beach Madness and the other to celebrate Fathers Day!

EMPLOYEE SPOTLIGHT

It takes a special person to work in nursing and these wonderful people are no exception. The nursing staff at Hillcrest is second to none. Pictured from left to right are Joanna, Hillcrest Director of Nursing, and nurses Amanda, Tracy, Hannah and Billy. Not only do these dedicated professionals deal with all health issues, they are the first ones to say yes to being part of a human slot machine, dressing up funny, finding time in their day to shoot a game of pool or just enjoy an ice cream cone with residents. Hats off to our nursing staff! It is this writer's honor and privilege to work with you all!

RESIDENT OF THE MONTH

This month our featured resident is Joey. Joey is one of our newer residents, but, you'd never know it looking at all of the friends that he's made since he has been living here.

When asked how he was adjusting to his new home, Joey stated that he loved living here and he has already made new friends. Joey enjoys spending time with his sister and has joined the "Gardening Club" and has been earning Hilly bills by helping Kenny take care of and water the tomato plants. We love having Joey reside here even more than Joey likes living here. Congratulations Joey!
