

HILLCREST SUITES NEWSLETTER FEBRUARY-2025

We tend to forget that happiness doesn't come as a result of getting something we don't have, but rather of recognizing and appreciating what we do have. Spread love to those around you; remember that not only today but each day you can make a difference in someone's life, you don't need an excuse or a special day to show someone you care.

EDITORS DESK

Vicki Bruno

Dear Residents, Family and Friends,

I hope you are enjoying some of the new activities like our animal tracking, putt-putt pool and our new added crafts. I have to say, I love the increased participation and am always open to new ideas! So, thank you all!

This is an important announcement. You are currently without a resident council president since the past president moved. The purpose of the resident council is for all residents to have a voice, without any staff present unless invited. Residents are free to make suggestions or air complaints and the president brings any issues or suggestions to management's attention. If there are any of you interested in either serving as president or know of a resident that you believe would represent you, bring it to our attention and we will equip you with all you need to call your next meeting.

Starting February 9th, we will be having church services with Pastor Hezekiah Blackwell and a new game, "Cupids Quest" where everyone wins a nice prize. Let's all have a great month and I hopeto see you during the various activities.

JANUARY IN REVIEW

We made 2025 Vision Boards. (Above) Tracked wild animals. (Below)

And we made and filled cute little Valentine's Day Buckets!

We also played putt-putt pool, lots of Bingo, had Bible Study, exercised and had an auction.

RESIDENT OF THE MONTH

The employees voted Deanne as this month's featured resident. Deanne requested that I take a picture of her son instead of her. Deanne is very artistic and the proud mother of Lance Corporal Ashton. He is 22 years old and enlisted in the United States Marine Corps right out of High School. Deanne looks forward to the times when he is on leave from where he is stationed in California and spends his leave visiting her. Deanne has every reason to be proud of herself and this young man. Thank you, Ashton, for your service!
